

## **ZERO TURN RADIUS MOWERS - SPECIFICATIONS**

Lake County is seeking quotes for the purchase of four (4) zero turn radius mowers for the Parks & Trails Division.

The specifications and minimum requirements are listed below. The equipment shall be new, of current production, and must carry the manufacturer's standard warranty/guarantee against defects, including defective parts and/or workmanship. For each line item below, the vendor shall mark "yes" or "no" to indicate if the proposed equipment fully meets the requirements. The completed specification checklist shall be printed and submitted with the quote. All exceptions shall be of equal or greater precision equipment and shall be clearly documented on the submitted quote. The County reserves the right to solely determine equivalency.

Bidders who offer equipment which fails to meet the requirements below may be considered non-responsive unless, at the sole determination of the County, the deviation is minor and will not affect the functionality of the equipment.

The equipment shall be manufactured so as to be in strict conformance to all standards applied by any Federal and State regulations.

Delivery shall be made within sixty (60) days after the issuance of the purchase order. The equipment shall be delivered to the Lake County Fleet Division, 20423 Independence Boulevard, Groveland, Florida 34736, with at least one (1) week's advance notice to the County. The delivery shall be FOB Destination. Title to the equipment shall not pass to the County until the units have been delivered to the designated location and have been inspected and accepted by the County's Fleet Manager.
